Write a good essay with our IB English Tutoring HK

There are some specific points to be considered while writing an essay for IB HL/SL.

- Tone used
- The purpose of writing
- Structure of the text
- Relevant theme

While writing the essay, Students must follow a specific pattern to make their answer or essay more attractive and practical. And the points are:

- Always plan your response before implementing it. Although, earn points for your answer before implementation.
- To emphasize your response, include examples with the real-life context for an explanation.
- While including examples in the essays, give grounds for the examples to support their existence.
- There must be a complete linkage between the included content for creating a flow.
- Students must use simple language and vocabulary in the range for better understanding.

Assessment Pattern

The external assessment pattern is furtherly divided into two papers:

- For SL students: Firstly, Paper 1 is based on an unseen literary passage weighing 35% of marks.
- Secondly, Paper 2 is based on an essay of two literary works written on the choices out of four questions weighing 35% of marks.
- And IB Internal assessment weighing 30% of marks

Paper 1	Paper 2	Internal Assessment
35 % of total weight	35 % of total weight	30 % of total weight

Table – IB English SL Exam Paper-wise

- For HL students: Firstly, Paper 1 is based on an unseen passage weighing 35% of marks.
- Secondly, Paper 2 is based on an essay of any two literary works weighing 25% of marks.
- Have to write an essay of 1200 to 1500 words on work studied weighing 20% of marks.

- There is an internal assessment having a weightage of 20% of marks.

Paper 1	Paper 2	Internal Assessment
35 % of total weight	35 % of total weight	30 % of total weight
